Thanks Peter. I'm not sure if I'll use them as exhibits, but I appreciate any additional information you can give me.

I'll let you all know Monday whether it looks like we'll have our hearing next week.

Subject: Sesko - File Review

I located some e-files from the Sesko project and had a chance to review.

I'm not certain whether the City considered these, but I thought I'd forward to you. They may be useful in resolving some of the cost uncertainty and may also help support the City's position on decreased salvage value.

Call with questions.
